Chris - understood.

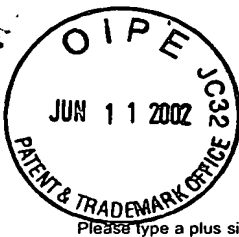

Chirag/Vas - as we have discussed, we are not in a position to handle these files or matters because of the scope of our practice areas. We would rather you instruct Chris to ship the files to you (and then you can send them to [redacted] or to an outside patent practitioner). If we receive the files, we'll just deliver them to you.

For the sake of good order, this will confirm that Paul Hastings is not representing, and will not represent Unimobile on any patent matters.

Tom
